VENT FREE STOVES

Enjoy the beauty of a traditional gas stove anywhere in your home with vent free stoves from Monessen. Crafted in traditional cast iron, vent free stoves from Monessen are a simple and safe heating solution that is an ideal addition to any room. Easy to install – with no need for venting or a mantle – our vent free stoves are available in two models and four color choices: Graphite, Enamel Black, Sand and Brown.

The CSVF20S features a single burner and a BTU range of 6,000 – 10,000 making it perfect for bedrooms and smaller spaces.

The CSVF30S/VFCS30D features our triple burner, offering yellow flames with glowing logs and embers. With BTU's ranging from 20,000 to 32,000 this stove is perfect for warming up chilly basements, additions and over-the-garage style rooms without having to turn up the furnace.
