

## THE PARLOR VENT FREE FIREPLACE SYSTEM

### **The Parlor Vent Free Fireplace System from Monessen**

The unique and versatile design of the Parlor vent free fireplace system makes it the perfect choice for just about any room in any home. Including fiber ceramic logs, multiple face and brick options and 20,000 BTUs, the Parlor offers excellent heating capacity and design flexibility as well. Standard millivolt control operation, Piezo igniter and CSA design certified, the 20" Parlor is available in both natural gas and propane models.

## Vent Free Fireplace System
